(b) if so, the targets set and the funds allocated for Madhya Pradesh during the last three years and the current year; and

(c) the steps taken/proposed to be taken by the Government to make it popular in villages ?

Answer

MINISTER OF STATE FOR NON-CONVENTIONAL ENERGY SOURCES (INDEPENDENT CHARGE)

(SHRI M. KANNAPPAN)

(a) & (b): State-wise targets are not allocated by the Ministry under its major Non-conventional energyprogrammes except for biogas, improved chulha and solar photovoltaic programmes. Targets fixed, achievements made and funds released for the last three years under biogas, improved chulha and solar photovoltaic programmes in the State of Madhya Pradesh and the target fixed for 2000-2001 are given in the Annexure.

(c) : The Ministry is implementing various programmes/projects such as national project on biogas development, national programme on improved chulhas, integrated rural energy programme, special area demonstration programme, national biomass gasifier programme, small hydro power and solar photovoltaics by providing various fiscal and financial incentives to make non-conventional energy popular in rural areas of the country. These programmes are partially meeting the cooking, lighting and electricity needs of the rural people in the country.
